- *Driver’s Cushioning Safety Heel Pad.*
- *High impact absorbing vertical ribs textured inlay.*

For Models VN & VT

Part #85111523

Part #85111522

Advisory

- Floor mat part numbers won't necessarily fit all years, or all configurations for the Truck model listed.
- Truck manufacturers make changes to cab interiors periodically that can affect the fit of auxiliary floor mats.
- Truck models can have multiple floor plans due to options, accessories, and build variances
- To check for proper fit; ensure that the floor mat lays flat against the O.E. flooring, and does not interfere with the control pedals.

Please see Installation Instructions on our "Support tab" at www.productsalesco.com for important safety information.
