MACK MEDIUM DUTY TRUCK FLOOR MATS

Part No. 24342371

Applications; Mack Medium Duty Trucks (2021 to present)
Driver and Passenger floor mat set, for two and three passenger cabs.

Floor Mats for Mack Trucks!

Part # 85150480

Applications; Anthem, Granite, Pinnacle, CXU, GU *2017 to Current (see advisory note below).

Protect your investment with attractive, highly functional floor mats!

- "Patented" floor mat with (PRS) Positive Restraint System flange holds the driver side floor mat in place.
- Heavy duty borders to catch and retain abrasive debris, caustic materials, liquids, grease and oils harmful to a trucks O.E. flooring.
- Driver's cushioning safety heel pad.
- High impact absorbing vertical ribs and textured inlay.
- Refined finish floor mats that complement, enhance, and protect truck cab interiors.

Part # 9291-2006C

For Granite, Pinnacle, Rawhide, and Vision Models with new emissions engines released 2006 to 2016* (see advisory note below).

Part # 9291-CHVIS

For CH and Vision models, pre new emissions engines.

Retro Fit FLOOR MATS FOR "CLASSIC" MACK TRUCKS

Part # 9291-1171

Ribbed Floor Mat Set; Fits early CH600, Superliner, R Series, various 60's thru 80's Models

Advisory

- Floor mat part numbers won't necessarily fit all years, or all configurations for the Truck model listed.
- Truck manufacturers make changes to cab interiors periodically that can affect the fit of auxiliary floor mats.
- Truck models can have multiple floor plans due to options, accessories, and build variances
- To check for proper fit; ensure that the floor mat lays flat against the O.E. flooring, and does not interfere with the control pedals.

Please see Installation Instructions on our "Support tab" at www.productsalesco.com for important safety information. To purchase these products, contact or visit an authorized MACK TRUCKS Dealership. Dealer note; available through your PDC program.
